(2) The legislature finds that:

(a) Bail agents provide an important local retail service to the retail consumers of bail bonds;

(b) Retail consumers of bail bonds and bail agents require a uniform and consistent regulatory framework that governs retail bail practices; and

(c) There is a need to provide consumer protection from unscrupulous and unfair practices.

(3) The purpose of this chapter is to provide that the department shall uniformly and exclusively license bail agents throughout the state of Idaho and that the department shall regulate such agents and bail transactions, provided the supreme court shall retain its inherent authority to regulate the transaction of bail with the court, including promulgating rules and uniform guidelines.

37 (3) A bail agent's license filed with the clerk of the district court is

40 bail agent's license pursuant to section 41-1016, Idaho Code, the director
41 shall suspend a license for a period not to exceed six (6) months, after
42 mailing notice to the last known address of the bail agent but prior to a
43 hearing, if such bail agent:

44 (a) Has been convicted or has entered a guilty plea to any felony or to a

 11 judicial district trial court administrators and all sureties with whom the
 12 agent is appointed of the effective date of such revocation or suspension or
 13 of the lifting of such revocation or suspension.

14 SECTION 5. That Section 41-1040, Idaho Code, be, and the same is hereby
 15 amended to read as follows:

 18 and thereafter maintains in force a surety performance bond, executed by
 19 an authorized surety insurer, in favor of the director in the amount of
 20 fifteen thousand dollars (\$15,000). Such bond shall be held in trust for the
 21 benefit and protection of the public against a judicial or administrative
 22 determination by the department of loss by acts of fraud or dishonesty by the
 23 bail agent.

24 SECTION 6. That Section 19-2918, Idaho Code, be, and the same is hereby
 25 amended to read as follows:

26 19-2918. REMITTANCE OF FORFEITURE -- PAYMENT OF BAIL. (1) The person
 27 posting bail shall pay to the clerk of the court the amount of bail ordered
 28 within five (5) business days after the expiration of the one hundred eighty
 29 (180) day period following the order of forfeiture of bail unless:

30 (a) The order of forfeiture has been set aside by the court;

31 (b) The bail has been exonerated by the court; or

32 (c) A motion to set aside the order of forfeiture or a motion to
 33 exonerate bail has been timely filed, together with a request for
 34 hearing, and has not been decided by the court. If the motion is decided
 35 and denied by the court more than one hundred eighty (180) days after the
 36 order of forfeiture, then the person posting bail shall pay the amount
 37 of bail to the clerk of the court within five (5) business days after the
 38 entry of the court's order denying the motion. A timely filed notice of
 39 appeal and motion to stay the forfeiture stays the obligation to remit
 40 payment until five (5) business days after the entry of the court's
 41 order denying the motion to stay or, in the event such motion is granted,
 42 five (5) business days following the final determination of the appeal.

43 (2) If cash is deposited in lieu of bail, the clerk of the court shall
 44 pay the cash deposit to the county treasurer. If the person posting a bail
 45 bond or property bond that has been forfeited does not pay the amount of bail

1 within the time provided in this section, then the order of forfeiture shall
2 become a judgment against the person posting the bail bond or property bond.

3 (3) After the notice required by section 19-2915, Idaho Code, in the
4 event that a surety insurance company fails to pay the amount of any bail
5 forfeited within the time required by this section, the administrative
6 district judge may order the sheriffs and clerks of all counties in the
7 judicial district not to accept the posting of any new bail bonds from such
8 company until the amount of bail forfeited has been paid. An administrative
9 district judge in another district may also order the sheriffs and clerks of
10 all counties in his district not to accept the posting of any new bail bonds
11 from such company until the amount of bail forfeited has been paid.

12 (4) If the administrative district judge has reasonable cause to
13 believe that a bail agent has committed any of the actions that could form
14 the basis for a suspension of the bail agent's license pursuant to section
15 41-1039(4), Idaho Code, the court shall immediately refer the matter to
16 the director of the department of insurance for appropriate disciplinary
17 action pursuant to sections 41-1016 and 41-1039, Idaho Code, and may enter an
18 order that the sheriffs and clerks of all counties in the judicial district
19 shall not accept bail bonds submitted by that bail agent until the director
20 has rendered a decision as to whether to suspend the bail agent's license
21 pursuant to section 41-1039(4), Idaho Code. The director shall immediately
22 notify all judicial district trial court administrators of such decision.
